Another great afternoon of top food & drinks at prices to suit even the meanest tightwads in hash

WHERE – Little Greek Taverna 1 Browning Street corner of Boundary St– South Brisbane (or West End), – a new venue, we have not been to this joint before

When – Friday April 13th. 2018 at 12.30pm for 1.00pm.

Food – see the attached menu, a bit hard to read, but it is the *northern greek platter, served in several as a banquet style with platters continuously and guaranteed to fill your guts*, yes even those who are a bit heavier than when they started hash all those years ago.

How Much – \$22.50 per person – NO MORE TO PAY, SEE BELOW.

Grog – BYO wine and beer, the Boundary Hotel bottle shop directly opposite if you do not want to lug the stuff. **The joint is not licenced**

Corkage – best of all it is free !!! and you can bring not only wine, but beer too, at no corkage how good is that !!!!!

How to get there – off the train at south Brisbane station and walk up street 7 minutes. – or you can ride your bike. See the map attached

Format – the usual Hash disorganised stuff

Special guests – we have invited our brother hashers from Gold Coast and indications are there may well be a few of these white shoe reprobates make the trip to add their bit of colour and shonkiness to the event.

What else – We have our own room looking on to the street, for 22 persons. So first in get the seats. There is no more room, so it is possible some could miss out.

Right on the main intersection near the Melbourne Hotel a hive of street life. lots of passing pedestrian traffic from the eclectic West End population – dreadlocks, earth mothers, glamorous models, down and out deadbeats (no I do not mean the Hashmen),

So for a good day out at minimum cost (most of us are tightwads, or pensioners), you cannot beat the Famous RRR Lunch

RSVP by Monday April 9th. To Brengun – Lunch Master
