Hash Trash

Hare: **Phantom**

Venue: 23 Argyle Crescent, Bundall

A good turnout for the Queen's Birthday public holiday run at the early start time of 5pm. **Kwakka** and **Hard On** handled the sign on and **Phantom's** brother Graham made an appearance. However, the early start would result in several hashers arriving late and missing the start of the run including **Cumsmoke**, **Magician**, **Blue Card**, **Banana Bender** and **Hal Al**. **Nasty** was back and alerted me to several hashers parking their vehicles up on the grass verges.

At 5pm GM **Commander Head** called the pack to order and called in the hare. **Phantom** proceeded to give the run/walk instructions announced the walk was about 3.5 km and the run a bit more than 5.5 km. There was a piss stop at the halfway point of the walk. The runners and walkers headed out on to Argyle Court, into Lothian Ave, then Campbell Street to Ashmore Road. At Ashmore Road the walkers went left and the runners continued on to Racecourse Drive. **Nasty** had given me instructions to take the walkers left at the traffic lights on Ashmore Road however some over enthusiastic hashers headed straight across the road and had to be called back. The walkers continued along Ashmore Road turning into Showcase Court and past the Bambino Restaurant, venue for the AGPU in 2014. At the car park near the Benowa Tavern, **Hard On** was waiting with a table with paper cups of beer and De Bortoli port. **Magician** and **Blue Card** finally made an appearance at the drink stop coming in on the home trail. From the drink stop the walkers headed off home and I measured the walk at 3.83km. Meanwhile the runners had headed into Racecourse Drive pass the racecourse then across the bridge before turning left along the Nerang River. From there, it was through Scenic Park to Benowa Road back to the drink stop and on home. **Fanny Charmer** measured the run at 7.47km.

Back at the venue, there were chips for an after run snack and Carlton Mid birthday beers supplied by **Badger**. A selection of finger foods followed including party pies and sausage rolls, chicken wings, sausages in gravy culminating with cut up Subway rolls (a first for the Hash?). A selection of small tarts comprised the dessert.

The GM issued the call to form a circle around the pool.

Ice Man gave the run report noting there were 6 hashers on the run. **7.5/10**.

Nasty gave the walk report, accusing the On Sec of misleading the pack. He noted the presence of a **Phantom** lookalike at the drink stop, the one and only Guru Graham. **7/10**.

KB gave the nosh report. He was impressed with the chicken wings which were scorching hot and noted that there were sufficient Subway rolls to feed the masses. Initially the nosh was rated at a lowly **3.8/10**, rising to **4.2 /10** before settling on **7.4/10**.

Returning runners **Banana Bender** and **Nasty** were called to the circle.

The GM handed the circle over to RA **Shat** who proceeded to undertake a mass baptism of the assembled hashers with a can of Carlton Mid.

The RA then described the story of how recently in Victoria, a female police officer arrested Patrick Lawrence a 22yo male, who was caught fornicating with a pumpkin in the middle of the night.

The next day, at the Horsham Court, Lawrence was charged with lewd and lascivious behaviour, public indecency and public intoxication.

Lawrence explained that as he was passing a pumpkin patch on his way home from a drinking session, he decided to stop. "You know how a pumpkin can be soft and squishy inside... Well, there was no one around for miles – or at least I thought there wasn't anyone around..." he stated.

Lawrence went on to say that he pulled over to the side of the road, picked out a pumpkin that he felt was appropriate to his purpose, cut a hole in it and proceeded to satisfy his pressing need. "I suppose I was really into it; you know?" he commented with evident embarrassment.

In the process of doing the deed, Lawrence failed to notice an approaching police car and was unaware of his audience, until Senior Constable Brenda Taylor approached him.

'It was an unusual situation, that's for sure,' said Senior Constable Taylor. 'I walked up to Lawrence - and he's just banging away at this pumpkin...'

Senior Constable Taylor went on to describe what happened when she approached Lawrence ... "I said 'Excuse me sir, why are you having sex with a pumpkin?'"

"Lawrence froze and was clearly very surprised that I was there. But then he looked me straight in the eye and said, 'A pumpkin? Christ! Is it midnight already?'"

SPV then described the perils of public transport particularly in relation to **Miscarriage** and **Hard On**.

SPV and **Miscarriage** were in Shanghai when they needed to buy some train tickets. **Miscarriage** decided you didn't need to buy tickets from the station, you could get them from the local touts instead. Unfortunately, this resulted in them being in different carriages on the train.

Hard On also has form having woken up in Helensvale after missing his stop on the Light Rail.

SPV then proceeded to describe **Miscarriage's** last encounter with the public transport system. Apparently, he had set off for lunch at 2pm and decided at 11pm it was time to go home on the train. After falling asleep and being woken up by security staff, he ended up at Kingston and finally made it back home with an Uber bill of \$85.

Magician was called in for sabotaging a walk that **Rug** had co-ordinated. **Fanny Charmer** produced photographic evidence to show that **Magician** had walked past a sign which caused **Rug** to have to repeat part of the trail and complete a total of 27km. **Magician** thought he knew better and was helping out his mate Clive from Piccolos.

Down downs for **Hard On**, **Miscarriage** and **Magician**.

Badger was called in to celebrate his birthday along with **Rug**. **Rug** proceeded to sing a compendium of Pommy related hash songs.

Bent Banana then charged **Miscarriage** for not waiting for his mates on the run (shades of **Flasher**). A plate of ice was then produced for **Miscarriage** to sit on.

Prick of the Week

Current Prick of the Week **Magician** was called in. **Magician**, who had finally remembered to bring the prick, then related a tale of the O'Reilly's to Binna Burra runs. These runs had developed a bit of a reputation and hashers had been accused to jostling the public on the

trail. Evidently on one run, three buses were organised by **Sir Slab** and on arrival everyone on the first two buses had bailed out and gone on to the trail. **Sir Slab's** bus pulls up last and whilst everyone was bailing out, a call was made for a certain 'Bruce Gibson' to explain what was going on.

Banana Bender, **Rug** and **Cumsmoke** were called in. **Magician** had an award to present, a bottle labelled 'No Ugly Gut'.

From the website:

"Here at No Ugly, we believe natural is gorgeous, but if your gut's natural behaviour includes bloating, farting, bad breath and diarrhoea, you need help. Let's start with 500 million probiotic CFUs. That's what you get in every serve of No Ugly Gut. Plus polyphenols and chicory root and lots of other good stuff. Say goodbye to ugly gut and helloooooo to gorgeous."

Rug was adjudged the deserved winner.

Finally, **Magician** called out **Fuller Shit**, his crime, having no interest in the circle.

And the winner is **Fuller Shit**.

Miscarriage had a late charge from the circle. Having worked up a sweat from the run, he dived into the pool only to find it full of debris and what looked like a piece of a stormwater pipe. He advised **Phantom** to clean the pool before any future runs to safeguard his health.

Hash Jokes

Ice man

Seems a prospective actor was applying to a talent agency. They weren't keen on his name 'Penis Van Lesbian' and advised him to change it. He was unhappy to do so as the family name went back to the 13th century. Some years later he got intact with the agency and advised he had changed his name many years and had enjoyed a lovely career. His new name 'Dick Van Dyke'.

The GM called on **Phantom** to close the circle.
