

## Hash Trash .. *“don’t let the facts get in the way of a good story!”*

The **Nasty** hotline was completely quiet this week. Must be because the new Hierarchy is doing such a great job. It was a very eventful night, enjoy the run report.... remember you have 6 days to read all of it.

At 5.55 the Hares were nowhere to be found and the Hash Trailer was not on site. The “Tap n Go” station set up by **Kwakka** and **Hardon** was working like a revolving door as the numbers swelled the closer we got to the new 6pm start time. Once again Boozemaster **Oscar Foxtrot** did an outstanding job of providing plenty of cold beer.

It was a bit chilly in the Naranagatang district as the near full moon rose over the tree-line. At 2 minutes to 6 the hare called in sick. Here we are no hare, no trailer and no Nerangatangs to show is a way through the forest. Was this another example of **Ballpoint**’s misplaced sense of humor? What happened to the new start time of 6pm?

At exactly 6pm **Miscarriage** arrived with the trailer closely followed by **Pepe le Spew** with a fresh speeding ticket from the police. But still no hares.

At 6.05 **K2KY Jelly** announced that **Derolicked** and **Arsnic** could not make it and that a trail had been set. He also announced that **Ballpoint** is in self isolation due to more breaches of the Covid Code.

After 5 minutes of **Y2KY Jelly** and **Ballbag** enjoying center stage and the pre run briefing about snakes and getting lost, the pack headed into the forest. We followed the usual entry across the creek up the fence line onto trail 9 and into a drink stop with **Arsnik** and his inflatable friend. Then further on into the forest and onto an uphill goat track. **Shat** was a casualty before we lost the trail and split into 4 groups who all returned to the trailer on different trails arriving up to 30 minutes apart just over the hour.

The first group of the runners returned at after 1hr and 35 mins the last runners including **Ballbag**, **Dutch Oven** and sweep **Pepe le Spew** at 8.05 almost 2 hours after they started.

The pre Nosh of corn chips and salsa, Burger Rings and savory bread made from olives tuna and bacon was plentiful and enjoyed by the pack. Even though **Cumsmoke** was the taste tester, there was plenty of sausages for everyone and some went back four times to fill their appetite.

**GM Sir Two Dogs** called circle

at 8.15 the pack gathered around the fire once again. **GM** announced the new fees of \$17 and \$3 for BYO wine were now in place. He said anyone having hardship with the new fees could apply for the new Hash Keeper allowance. Under Hash Keeper allowance you can pay \$15 and you get a free bag of ice to sit on for the night

**Sir Botcho** was called out for his cow riding prowess at Splinter lunch.

DD

**Flasher** got a song of fuck off for flying to Perth on Friday and leaving his hometown of Gold Coast.

Hare **Derolicked** and **Arsnic** called out by **GM**.

**Sir Botcho** describes his 1hr 35min run as a bit long and gave the run a 5/10

Co hares **Arsnik** and **Derolicked** and sweep **Pepe le Spew** had DD

**Arsnik** charged **Pepe le Spew** for doing a shit job as sweep. Big call from a hare who was not at the start of his own run.

DD.

Walk report was given by **Sir Ferret** who shared his love of Nerang State Forest with us saying not a good place for a run with snakes creeks, and shit, and continued with a more generous use of profanities and left us in no doubt about his dislike for the location. 1/10

**Fullershut** gave the Nosh report sharing how it was actually a good change to have sausages. He did enjoy the three different Savory cakes. There was plenty of each of the olive cake, the bacon cake and the tuna and capsicum cake.

Casualty report that **Shat** suffered multiple injuries and was tended to by **Truck**

**Tyres** and **Sir Prince Valiant** on his return from the treacherous walk and then **Hardon** took him somewhere safe.

**RA Brewtus**

Called for the hares to sit on ice.

Once seated he told a joke and after long story and charge by **Miscarriage** the hares stood up from the ice

The **RA** called for charges

**Miscarriage** stated his charge of the tranquility and serenity of the bush being interrupted on the run by too much noise from **Doug** and **RA** talking about their painting jobs.

DD

**Kitchen Bitch** charged both hares because **K2Y2 Jelly** announced a drink stop and tits in the pre run preamble and **Kitchen Bitch** was shattered because he missed the drink stop and the plastic tits

DD

Charge from **RA** to **Arsnik** about an abusive phone call on Friday afternoon. **Arsnik** was too pissed to remember the drunk dial.

DD

**Miscarriage** charged **Sir Rabbit** with having too much fun after the splinter lunch and delaying **Sir Prince Valiant** and chauffeur the *Princess* with drunken dribble when being driven home.

DD

**Bent Banana** charged his mate **Flasher** with being fit and choosing to walk instead of running because he was scared of injuring himself.

DD

*Doug* has a charge against **Derrolicked** and **Arsnic** for a lift he organized out and back from Hash last week. *Doug* missed the night because **Derrolicked** left did not pick him up and left him at home

DD

**Ballbag** was introduced in the pre run by **Y2KJelly** and wanted to talk more about himself and in true Hash fashion was told to shut the fuck up  
He told a joke and got a laugh

POW **Iceman** escaped keeping the POW when the **GM** warned him for not wearing POW in circle. **Iceman** tried to charge **RA** for no Hash shirt ... false charge. **Ballbag** was charged for holding up the sweeper **Pepe Le Spew** causing the runners to do all the checks. **Hotdick** arrived from Sydney and did not do self isolation and **Hotdick** was the winner of the POW. Will we ever see it again?

Next weeks run is **Iceman** from Paradise Point esplanade bring a chair

**GM** called on **Aussie** to call end of circle at 8.45 who gave a note instead and had a DD
