

Hash Trash .. *don't let the facts get in the way of a good story!*

The pack arrived all eager to see what this “GCard” run was all about. **Fanny Charmer** was well prepared and way too caring of everybody’s need for information, so the pre run briefing ran into 10 minutes as he answered all the questions asked by the pack. Then he briefed the run/walk, and It was very simple....Take the free drink voucher and walk/run or shuffle to the Darcy Arms, drink your beer and come back here for dinner. \$17 goes a long way at hash!!

The pack all ended up at Darcy and drank their beer and dutifully returned for more beers and some friendly conversation and Nosh. Except for **Shat**, **Bluecard** and **Sir Jo** who thought the beer and the conversation at the bar was worth a few more rounds, and they returned just in time for Nosh. **Phantom** and **Missing Link** both lived up to their names and joined us for a beer and did not come for Nosh.

Soon after our return to Cascade Gardens better known as the home for the homeless, the party pies hit the table and the warmth of the “all Aussie beef” and crispiness of the pastry was appreciated, as they were smothered with tomato sauce and devoured.

Then the mango chutney and pickles were put on the table to compliment the second course of chickpea and chicken curry. The nosh was prepared the day before and the curry was perfectly blended throughout the dish. There was plenty of the rice and curry and some had seconds.

Desert was lemon or cherry tart and cream, cheerfully served by **Fanny** who was very curse with his instructions on how it should be sliced and who could have which piece.

GM Sir Two Dogs called the circle and **Fanny Charmer** entered the circle for his DD, and Dressing Down. Run Report by **Rug**, who was most disappointed that **Fanny** has not used any of the hashing skills **Rug** taught him. **Rug** was looking for the chalk and flour, and even inspected the light rail in the hope of finding some, but alas there was none on this run. **Slug** gave the walk report and said that 1.7klm was not enough and he did some extra klm into Surfers.

Nosh report was given by **Sir Rabbit** and he said the curry packed a punch and he would let us know the rest of the report in the morning.

The **GM** called for returning runners and **Nasty** was given an exemption.

The golf day trophy was presented by **Weekly** to the winning team of **Iceman**, **Badger**, **Shitbags** and **Poxy**.

RA called out **VD** to present his 600 run shirt.

The 3 stragglers **Shat**, **Bluecard** and **Sit Jo** were given a DD

Swollen was called out for calling an android phone an “Andrew”. He then had another drink for leaving his hat on in the circle.

POW was absent again. **Fanny** should have thought twice before he gave it to **Carefree** before his 3 month stay in Sydney. **Shat** was given the POW by **Carefree** to give to **Fanny** who objected profusely that it was not legal to give it back to the giver, and reluctantly accepted it.

Weekly told a joke about growing new hair.

Sir Jo told a joke about a newly wed couple and a small penis on their wedding night.

Iceman told a joke about an old couple with Alzheimer's trying to stay out of a nursing home

GM read a news article about a woman in the US stopping an Alligator with a hand gun and using her now dead ex husband as a sacrificial decoy.

Next weeks Run **Badger** on Hope Island.

End of circle by **Fanny**.

Thanks to **Slug** for being this weeks hash flash
