

# Hash Trash

*.. don't let the facts get in the way of a good story!*

Run no 2245  
Location McIntosh Island  
Hare Hierarchy  
Hashmen 29

The pack arrived at the venue with rain falling and **Sir Two Dogs** was out resetting the washed out run that was set by **Brewtus** the day before.

The runners ran and the walkers walked and the drinkers stayed under the shelter and drank.

**Sir Rabbit** played Irish music as the runners and walkers returned to the platters of cheese, gerkins, and Kabana entree which was complimented with corn chips and a choice of specially prepared Salsa and cheese dips.

The \$1 Guinness and Kilkenny cans and the Crown birthday beers went down well with the entree.

The main course was the slow cooked Irish stew prepared by the **Kwakka** home cooking kitchen, which was delicious and melted in your mouth.

Run report was given by **Iceman** who said it was good and the company on the run was the best part. He gave a score 11/12 because it was a hierarchy run. Wise man!!!

The walk report was given by **Now Loved** who said good walk and well done. Another wise man.

Nosh report was excellent as expected, even though it did not give due credit to the quality of the meat in the Irish stew or mention the individual cups of cake, jelly, custard and cream laced with Irish whisky, prepared by **Nasty**.

**RA Brewtus** told an Irish joke about a woman who killed her husband and was given a light sentence because she was she was widow.

**Sbends** and **Shat** and **Commander Head** got a DD for not dressing in theme for St Pats Day.

**Kwakka** was called out to thank him for the beers and recognize his 75th birthday. He said he had more exotic plans for his birthday than his wife spending the day in the kitchen cooking hash Nosh, but hey he is a team player. He received a Hashy Birthday to enjoy his DD

**Magician** was charged by **Sir Prince Valiant** for claiming to do the Noosa Triathlon. **Magician** described in detail why he was successful despite doing the swim in dog paddle and running like an old woman on the 10k run leg, and riding an electric bike on the bike leg.

**GM** shared some Irish jokes, and was joined by **Rug** who shared some jokes that were enjoyed with laughter.

**Sbends** was given a DD for his write up in the Bulletin noting objections to his campaign to remove the helicopters that contribute to the GC tourist industry.

**Truckie** health update report was given by **Bent Banana** who announced his departure from hospital has been delayed due to infection. **Truckie** is in a Pindara and visits are welcome

Best dressed Irishman was given to **Swollen Colon** who said he was happy to receive the award despite the fact that he was going to come as a leprechaun

Next weeks run **Now Loved** who will hold his run somewhere between Brisbane and Tweed.

Closing joke by **Rug**.

**Sir Rabbit** closed the circle playing a recording of **Moonbeams** saying End OF Circle, from his music box. Where does **Sir Rabbit** get these recordings ???
