Where - It is back to the “Little Greek Taverna” cnr Browning and Boundary streets West End – we were there a couple of years back.

When – Thursday February 8th. at 12.00 noon for 12.30 pm.

Food – Great Greek fare eg. Grilled Barra, chips, salad \$22 – grilled lamb cutlets with the works \$29

how is that for a bargain –

Grog – BYO wine and beer, the Hotel west End is opposite. yet to finalise corkage, but it is \$6 max, trying to get it down, but as beer is included that is a good deal (beer & wine included). So for example grilled barra + corkage you spend \$28 total.

Format – the usual Hash disorganised stuff

Special guests – could be a celebrity from GCHHH.

FREE ENTERTAINMENT –We have our own room inside with large windows to view the passing parade of Greens voters, wankers and vegans – WHAT FUN!!!

Cleansing ale after – The west end hotel is directly opposite, plus the Boundary hotel across the street – lots of street passing by weirdos.
