

Run 2249: Glossy Park, Reedy Creek Hares: Caustic & Brewtus

On the coldest night of the year thus far, and miles from anywhere, a surprisingly large turnout of 34 set the scene for a fun evening. **Caustic** announced this was to be the inaugural Reedy Creek bush run. Accordingly the run & walk trails led directly into the bush, scarily reminding one of a Nerang State Forrest run ... but no falls this time.

The Run Report by **Ah Pisto**: An excellent run, generally well marked ... *but too easy and not enough hills* (yeah, right).

The Walk Report by **Slug**: A great bush walk, and amazingly no one got lost.

Visitors & Returning Runners: **Fanny Charmer, VD, The Bat, Pee Dub, Scott** (Virgin Runner introduced by **Magician**).

The Circle was convened prior to the nosh which was running late. Charges & Down-Downs:-

Sir Black Stump for commenting that Hare & RA **Brewtus** "looked stupid" with glasses on his head.

Sir Slab & VD for holding everyone up and stumbling through the bush with no torch.

Magician charged **Sir Slab & Shat** for a finance scam: at a restaurant over Easter, the EFPOS was down so Sir Slab lent Shat \$50 cash to pay for his meal, only then to find both meals cost \$120; \$60 each. "I'll pay", says Sir Slab, "You owe me half". So Shat gave Sir Slab back the \$50 note, saying I now owe you \$10 ... *nearly got away with it.*

Rug charged **Caustic** for claiming this was an inaugural bush run, adding '*there are no virgins with a bush in Reedy Creek*'.

Sir Ferrett charged **Magician** over false claims. Magician had a spare Titans vs Newcastle ticket given to him by **Now Loved**, bullshitting to Sir Ferrett that it was his (Magician's) ticket, and would get them into a corporate box. A disappointed Sir Ferrett spent the whole game waiting for lobster & champers.

Sir Botcho charged **Ice Man** for urging him to run harder, but then leading him in the wrong direction.

Caustic charged **Carefree** for asking around for Blue Pills during a run. Gotta admire that Carefree.

The Nosh, hurriedly arranged by the hares who stepped into the run vacancy at short notice. We were served a variety of freshly delivered Pizza Hut pizzas with garlic bread ... thin 'n crispy & actually very tasty.

Thanks to the hares and to all for a humourous & enjoyable night ... **On On Shat**

**I never thought
I'd be the kind of

wake up early in
the morning to
exercise ...
And I was right.**

The wife said:
"Here's \$20, get
the dog a jacket.

If there's any
money left over,
get yourself a beer!

**I just paid for a
