

Run Report
4th November
Circumference runs the Melbourne Cup
Southport Tigers
A Hierarchy Extravaganza.

The run was a meander amongst horse droppings, grave sites, creek crossings, dike footy players, sporting venues and more. Circumference always works hard and tonight also ran \$5 & \$10 sweeps. We started in daylight and were soon overtaken by darkness, but the pack was purposeful and carried on to Home.

Back at Tigers the BoozeMasters had found some exciting tippie and the Runners and Walkers relaxed. Shortly out came Little Boys in tomato sauce and then party pies and other delights rescued from the weekend wedding by Now Loved. All were gobbled up quickly. But there was more! Spiced Chicken in generous proportion with fresh salad. And then - Christmas Pudding with Custard by Fuller. What a Committee!!!

Two Irish nuns were sitting at traffic light in their car when a bunch of rowdy drunks pulls up alongside of them .

"Hey, show us yer tits ,ye bloody penguins! " shouts one of the drunks. The Mother Superior turns to Sister Immaculata , "I don't think they know who we are, show them yer cross."

So Sister Immaculata rolls down her window and shouts, "Screw off ye little fookin wankers, before I come over there and rip yer balls off! "Sister Immaculata looks back at the Mother Superior and asks, "Was that cross enough?"

The Run, Walk, Nosh Reports were hardly worth a comment
