

Run Report 2197

Hare: Black Stump

I received an urgent call from Carefree this morning (I thought he was in Hawaii) saying that he had foreskin (sorry, four skin) grafts to four excisions on his legs, had to keep his feet up for three days, and could I do the words tonight. Well, here I am.

The location was at the Bert Swift Community Centre car park. The trailer was already parked at the end of the car park, and tables and chairs placed up the middle. At 6:16 the hare gave directions, and the run/walk went from the Community Centre towards Nerang River, then turned west along a concrete foot path. We passed an attractive lady sitting on a park bench, a glass of white wine, and listening to something on her ear phones. She probably didn't notice a bunch of virile guys lusting after her as they ambled past. The trail continued upriver to Alexander Drive. Walkers continued east along Alexander Drive while the runners continued south. Blackie ran up behind us and explained that he set the bush section on Friday, did a triathlon on Sunday in Brisbane, then finished setting the run/walk this morning. And he was still running back to the trailer. The walk continued along Alexander Drive, turned left on Crusader Way, left onto Pict Court, right on the footpath by the river back to the Community Centre. About 45 minutes, good walk and well marked.

The hare placed some dips and crackers on the table, while he laid out the salad, sliced tomatoes, coleslaw, sliced bread, and sliced ham. Dessert consisted cheese cakes with a very cold custard. It must have been good because CumSmoke had three helpings.

After the tables and chairs were put away, GM called the circle. Hare Blackie stepped in. HalAl gave a walk report and said it was well marked and flattish, scored 8/10. STD gave a run report and commented that it was a usual high "Sirs" set run, well marked through the bush, and thankful there were no river crossings. He noted that a yank newcomer, Reckless, had disappeared after the run overwhelmed. Scored 8/10. Brewtus provided a food report, and CumSmoke a dessert report.

Returning runners were Sir Prince, Rug and Now Loved from the Viet Nam/Laos bike trip. Now Loved presented GM with a hotel laundry bag full of hotel pens, paper, slippers, shampoo, soap, etc. Somebody shouted "what a steal!" VD gave a note.

RA stepped in and called Weekly in for emailing everyone about his son being on Channel 9, and was not on. Miscarriage gave a note. RA went on to tell everyone that Truckie had a down down every night as he was misbehaving so much. RA continued with a report on the cycle trip. POW was absent, so deferred to following weeks.

Sir Jo stepped in with a charge. He overheard someone challenging the Magna Carta and Oz Law, and whether we were influence by the Magna Carta. Miscarriage stepped in and took a down down. Circumference gave a note.

Weekly stepped in to apologise for Wrongway.

GM announced the Xmas run starting at 4:00 pm next Monday, the location, \$20 pp (no change), BYO red Xmas hats.

Sir Ferrett closed the circle.
