Hashmen 31

The pack arrived all eager and energized for the 1st run of the year. **GM Sir Two Dogs** returned from his Tropical Island getaway to call the pack to order. The Hare **Hardon** was called upon to introduce the run and immediately introduced **Shat** who detailed the obstacles on the run and told the walkers to stay whilst he worked out a walk. **Shat** then nominated **Nasty** to lead a 3klm walk.

Runners went across the bridge and headed north onto the beach and looped around the Southport surf club and home down Tedder Ave.

The walk went across the bridge and followed the Commonwealth path along the beach and we came home through Buds Beach and the boardwalk outside the Marriott Hotel.

The runners and walkers returned within minutes of each other to find the entree of corn chips with a con carne dip. This was quickly devoured before the gourmet hamburgers were lovingly cooked by our resident **Kitchen Bitch**. These were served with mixed salad, and cheese. Followed by apple slice and custard.

The pack was enjoying the first night of the BYO drinks trial with no one complaining about the quality of their beverages.

**GM Sir Two Dogs** called the circle at 7.45.

The **GM** opened with respect and reflection for **Rock Hard** and **Sir Prince Valiant**-shared the story of the beginning of **Rock Hard's** battle. **Shat** presented **GM** with a stubby holder that **GM** bought as a present for himself as he was the only person from Hash who was traveling "overseas" at Hammo during the break.

**Phantom's** health update was shared by **SPV**. He also shared how offended **Phantom** was at the quips about "the nights entertainment" when his beautiful daughter in law *Angela* delivered the Pizza's at his run.
