

# Magical Mystery Tour 2020

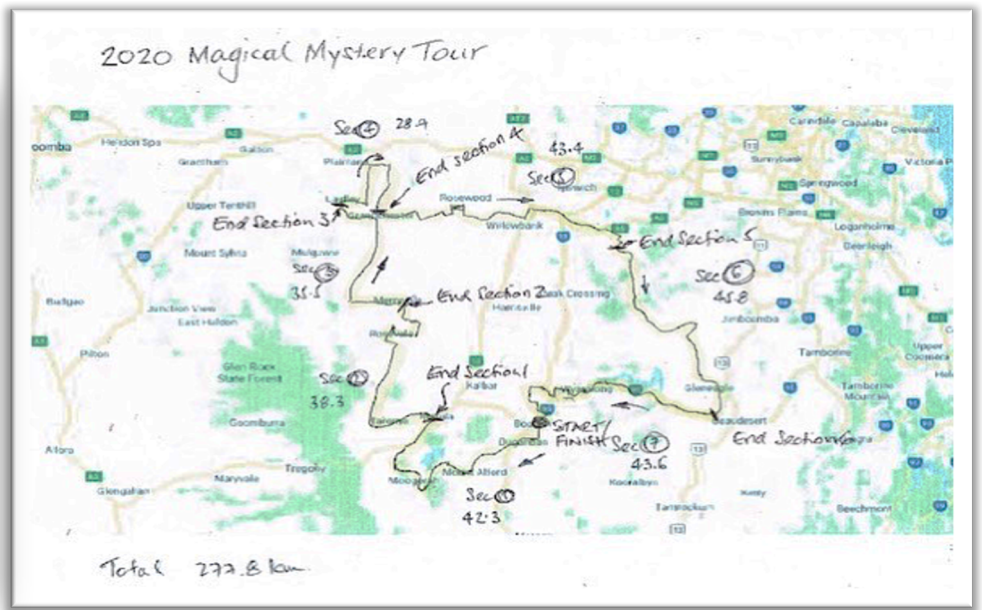

28 & 29 Feb – 1 March

Nervous rally drivers, navigators and crew, some 40 in total, assembled at The Outlook, Boonah on Friday night, ready for a few drinks to settle the nerves in preparation for the next day's competition – the beginning of a great weekend. And what a great weekend it was, all made possible by the efforts of Mad Mike aided by Truckie. Special thanks to those guys, and to everyone who pitched in and helped over the weekend.

## The Route

### Masterchefs Sir Two Dogs & Truckie Cooking Breakfast

**The Rally** kicked off on Saturday morning following a fabulous breakfast, cars leaving at two minute intervals. The route comprised seven sections. Quite a number of cars lost their way on the very first section – all but the Hard On & Shat team finally found their way to Section 2 (including some short-cutters aided by Google Maps). After wandering aimlessly on the wrong road for two hours, the HardOn-Shat team opened their SOS envelopes in order to find the morning tea stop. Sadly, they never recovered and won the treasured Wooden Spoon ... and proudly so, I should add.

The trail was set along typical country roads running through beautiful rural scenery:

Most teams finished all seven sections, although quite a number skipped the last couple in order to make it home in time for happy hour. A tasty dinner at the Commercial Hotel on Saturday night, followed by nightcaps back at The Outlook. [The Commercial Hotel some years ago was managed by long time Gold Coast hasher Maggs].

**The results.** Following a protest by S-Bend, he and his lovely navigator Jan were declared the winners. The results:-

Mad Mike delivering the results

The weekend wound up after Sunday breakfast. Everyone had a great Rally 2020, so much so that 22 people made reservations within 24 hours for Rally 2021 ... now heading towards a wait list.

To wrap up, again special thanks to Mad Mike & Truck Tyre, and to all those who assisted over the weekend.
