

Hash Trash .. *“don't let the facts get in the way of a good story!”*

Run no TuTuTuTu
Location Waxxy's Irish Bar
Hare Botcho
Hashmen 33

A man walks into an Irish Bar wearing a TuTu, a green wig and red lipstick and that's when the fight started.

The **Nasty** hotline was very quiet this week. The hierarchy must be doing something right again 😊

We met at the “other” Bruce Bishop car park rooftop location and eventually all joined as a pack in the location set by the hare **Sir Botcho**, to be greeted with a welcoming beer. **Sir Botcho** instructed the pack to follow him to the light rail station outside Q1 and take a ride on the G to the south and walk/run back to Surfers for a paradise down the Cavil Mall and on to the final resting place for the night at Waxxy's

On arrival at the rooftop bar the chat included stories that there were some hashmen who looked too comfortable in the TuTu and wigs. **Truckie** even wore a bra!
Nosh was a Waxxy Burger washed down with a couple of free beers.

GM Sir Two Dogs called the circle before the Nosh was served. **Sir Botcho** was called to the circle who announced that **Rock Hard** is going through a tough patch and suggested that we send **Rock Hard** a Text of encouragement

Run report was given by **K2Y2 Jelly**, who shared his adventure on the run including a closed gate that should have been open. A bit of running and a bit of waking and proceeded to be acting RA by giving away the very limited number of DD set aside for other charges to **Miscarrage, Brownie Box, Derolicked, AH Pissto and Botcho** joined in for the DD.

RA Brewtus charged **Sir Ferret** for not dressing up for the night.

Then he turned his attention to the prettiest girl of the night.

Nominations were **Sir Rabbit, iceman, Rug, Truckie, Now Loved**. Winner is **Rug**. **Rug** shared the story of his wife helping him to dress for the night and how he needed lipstick and help for his headache. What was the help for the headache? It was a broomstick up the Arse, and when **Rug** enquired why, he was reminded that that's how he resolves his wife's challenge when she says she has a headache.

Next charge was for **Magician** who managed to get three drinks from his two drink tickets

Visitors **K2Y2 Jelly, Derolicked my Balls, Dr Oxycodin, Ball Point**.

Weekly got left behind and had to phone Botcho to find the On On. DD

POW Not appropriate for this venue

Next weeks run **Aussie** in Buds Beach

Rug alias *Miss Singapore* perfectly recited a poem by John Ogrady also known as Nino Colotto, about shooting kangaroos and drinking beers.

Miscarrage told a story about *Victor Hector* crossing Bass Strait on the old ship the Princess of Tassie and how he got the name *Trifector Hector* by spending separate nights with three members of the same family in the Princess of Tassie. **Miscarrage** then explained how *All Bran* got her name.

Brownie Box joined in with his story about Sergeant Bollocks and a dog.

Ball Point dressed as Desmon TuTu arrived and the jokes continued until dinner was served.

End of circle called by **Sir Two Dogs**

The drinking and laughter continued.
