

Hash Trash

.. don't let the facts get in the way of a good story!

Run no 2255

Location Robina Cricket Club

Hare **VD**

30 Hashmen

The pack arrived to find the Hash Trailer in pole position and **VD** happy to see so many turn up after the May Babies Weekend at Mariefields

The briefing was short with the instruction there is no need to shortcut because the ran and the walk are both short. The runners headed off followed by the walkers. Needless to say more took the shortcut than did the full course.

VD was out on the trail on his bike directing traffic and doing all he could to stop the shortcutters. The shortcutting walkers and runners were back within the hour. **Sir Rabbit** and **Nasty** returned on the hour after completing the full trail distance.

On return to the trailer right on the hour, the pack was well settled in and **SPV** announced that the search party organized to find **Sir Rabbit** and **Nasty** could stand down and return to their tables and chairs to resume drinking. **Iceman** did the full trail plus a few klm and was the last runner in at 7.15.

Stories of the run circulated with complaints about the 4.5k becoming 8.1k and checks not being marked off causing extra distance for the runners. The trail went through a tunnel where a young guy thought he could do drugs with in his car with his mates and he took off without lights on when the runners approached with their torches looking like a SWAT team on a raid.

Calls to Ice the hare were heard and the excuses from **VD** kept coming ..

“I ran out of chalk”

“The light on my bike stopped working”

“I had to get back to cook the Nosh”

Birthday beers were on offer and the night resembled a splinter lunch with plenty of red wine on the tables.

The Nosh was the usual **VD** burgers in rolls with salad. There were questions about what type of burgers these were and what was in them. **Kitchen Bitch** made sure that they were cooled to perfection and that there was enough to go around.

The return of the Hash Fire Keg was welcomed and was where a lot of conversation was shared.

Seconds of lettuce and cheese and tomatoes were offered as sandwiches before the desert of fruit and ice-cream was served in cups. Before too long the food was gone and it was time to pack up the tables and chairs.

The circle was called by acting GM **Sir Prince Valiant**

Run report was given by **Iceman** who said this was not the worst run he had ever done but it was close. It was 8.1k and light on for checks being marked off. Still have it a comment of great run.

Walk report was given by **Weekly** who said it was good to be back walking again.

Returning runners **Rainbow** and **Caustic Crusader**. **Rainbow**'s gift for the GM was a Tasmanian apple. He also gave his impression of a ruby league siren which was very good.

Visitors: **Fullers** brother visiting Moe Victoria told a story about their younger years cleaning septic tanks with petrol and massive explosion of flames.

Charges from the Weekend away at Swindlers Farm.

Sir Rabbit for breaking *Mrs Swindlers* prized planter pot. **Sir Rabbit** insisted that it was in the wrong place and was amazed that none of the other drunks had broken it before he did.

KB, Rug, Shat, Botcho charged by **SPV** for talking too loudly and using the dunny for a piss at night and keeping the *Princess* who was sleeping in suite 1A awake.

Shat was charged for aiding and abetting **KB** with receiving **Sir Rabbits** stolen drink bottle holder and **Rug** was charged with falling asleep again.

SPV charged **Miscarrage** for staying at Darcy Arms Irish Pub alone until 11pm on the evening of his wedding anniversary

Miscarrage was again charged for taking goods from an Indian garage sale without paying for them.

Circumference charged **Bent Banana, Botcho, Miscarrage** and **Badger** for attending Covid hash last week and causing **Poxy** to have so much left over food that **Poxy** was begging people to take it home and **Circumference** was still eating left over onions this morning.

Miscarrage charged **SPV** for only having one toilet and not being able to use it because workers were doing work in the bathroom.

POW given by **SBend**, as proxy for **Poxy** to **Nasty**, for being absent from Hash with his commitments to contribute the improving the lives of others. It appears that **Nasty** is missed, despite the fact that every week words are written and posted. There was the usual chorus of "trumped up charge" and "you don't deserve it", from the soft cocks who don't want it next week. I think **SBend** enjoyed this too much.

RA Brewtus told of his colonoscopy and his trip home from hospital and how he slammed his wife's head with the car boot. **Shat** and **SPV** also shared their experiences with colonoscopies.

Rainbow was called out to share some home truths about Tasmanians.

Next weeks run **Fuller Shit** from Southport

Truckie report given by **Caustic**

Splinter Lunch LaPorchetta Broadbeach

End of circle called by **VD**
